itSynergy Honored as Microsoft® Gold Certified Partner

itSynergy Acquired New Competency Along with 3rd Year of Certification

PHOENIX— May 20, 2008 —Phoenix-based itSynergy is pleased to announce they have been named a Microsoft® Gold Certified Partner for the 3rd year in a row. itSynergy has held Microsoft® Partner Certification for ten years. And, this year the company has added an additional competency in Security Solutions. itSynergy now holds Microsoft Competencies in:

Advanced Infrastructure Solutions
Networking Infrastructure Solutions
Information Worker Solutions
Security Solutions
Mobility Solutions

“We really value our certifications and partnerships with Microsoft®. It enables us real-time access to information on product updates and keeps us apprised of the latest technologies. We pass these learnings on to our clients and maintain our certifications to insure we can truly serve as a trusted advisor as we deliver IT infrastructure support and networking, as well as custom applications to our clients,” stated Michael Cocanower, President of itSynergy.

For more information about itSynergy please call 602-297-2400 or visit the website at www.itsynergy.com.
